

QUATRAM

Pty Limited

Company Profile

COMPANY

Quatram Pty Ltd was established in 1999. It is a privately owned company focused on all types of commercial and industrial construction. Our company objective has always been to provide a reliable, timely and cost effective service to our clientele.

Our Vision is to broaden our core services of partitioning and associated works beyond current industry expectation.

Our company structure is geared to encompass all aspects of construction and enable each component to be carried out to the highest degree of efficiency.

Those components not limited to the following:

- Plasterboard Partitions
- Curved Glazed Partitions
- Glazed Partitions
- Plasterboard Ceiling
- Suspended Ceiling
- Demolition
- Bulkheads
- Doors & Hardware
- Floor & Wall Protection
- External Cladding

THE TEAM

SUPPLIERS

Quatram is frequently in contact with the industries top performing suppliers of materials and equipment necessary in undertaking our construction fit out projects.

We consider our relationships that have been established over the years with our major suppliers to be a key element in our business success. It enables us to be both competitive and deliver our projects within the required budget and construction program within commercial office fitout, retail shop fitout, residential apartment fitout, age care facilities, private & public hospital fitout and schools.

CONSULTANTS

Quatram also considers that our varied and extensive relationships with professional service consultants, engineers, architects and the like has continued to keep us at the forefront of the industry. This has also proven to directly benefit our clients.

OCCUPATIONAL HEALTH & SAFETY

At Quatram our occupation health and safety policy outlines our belief that the well being of people employed or affected by our work is a major priority. People are our most important asset and their health and safety is our greatest responsibility.

The objectives of our safety policy are:

- To achieve an accident free workplace.
- To make health and safety an integral part of our business.
- To regularly consult and train our employees in safe work practices.
- To ensure health and safety is considered in all planning and work activities.
- To ensure all potential accident/incidents are controlled and prevented.
- To provide effective injury management and rehabilitation for all employees.

The success of our health and safety management is dependent on:

- Pro-active planning of all work activities and implementing OH&S controls.
- Ensuring the work team is totally committed to achieving our objectives.
- Understanding the total work process and associated OH&S risks.
- Ensuring open and honest communication exists between all employees.
